

EARN A MINOR **FULLY ONLINE** IN LEARNING DESIGN & TECHNOLOGY

Learning Design & Technology
School of Journalism & Media Studies
College of Professional Studies & Fine Arts

LDT builds valuable career skills for any major!

Audience analysis

Design thinking

Problem solving

Rapid prototyping

Teamwork

LDT courses allow you to:

- Learn anytime, anywhere with online project-based courses
- Get hands-on experience with cutting-edge media and technology
- Work on real projects for local and global organizations like Qualcomm, San Diego Zoo Global, Rady Children's Hospital, Amazon, Apple, and more!

Through the LDT Minor, you'll learn to:

- Use a variety of multimedia and video-conferencing tools
- Design training workshops, webinars, e-learning programs and tutorials
- Develop mobile learning, VR/AR, and gamified solutions
- Nurture and manage online communities centered on learning and support
- Create solutions that blend instruction, coaching, and communities

Earn the LDT Minor with 15 units:

- 2 Required:
 - LDT 540 – Educational Technology
 - LDT 544 – Advanced Instructional Design
- 3 Electives From:
 - LDT 515 – Games, Play and Learning
 - LDT 525 – Virtual Reality, Imaginary Worlds, and the Future of Learning
 - LDT 561 – Advanced Multimedia Design for Learning
 - LDT 596 – Topics in LDT

The LDT Minor is open to all undergrad SDSU students.

For JMS Students: LDT courses cannot count for both the major and minor.
